INSTITUTE OF MATHEMATICS
POLISH ACADEMY OF SCIENCES

Open call for 3–7 years
assistant professor/IM PAN professor/full professor positions
at the Institute of Mathematics
of the Polish Academy of Sciences

Applications must be submitted by **January 30th, 2027**, only using the application form. Open call is open to candidates who obtained their doctoral degree no more than 12 years prior to the application deadline. The application should contain a CV, a research statement, a list of publications with mandatory statements on the use of AI in each paper and a proposal of the branch and people whom the candidate would like to collaborate with. Additionally we request the candidates to submit a description of their 3 most important research achievements and a detailed description of the use of AI in developing them and in preparation of the relevant manuscripts.

By the same date two letters of recommendation should be sent by email to konkurs@impan.pl. In the subject of the e-mail, indicate please "*Open call for 3-7 positions"* and the full name of the candidate.

The successful candidates will be required to conduct intensive research activities in the field of mathematics or its applications. They are expected to establish their own research teams at the Institute of Mathematics (through seminars and care for novice mathematicians) or significantly contribute to the existing teams. The Institute also expects participation in national and international research programs and grants. The achievements of persons employed under this competition will be subject to periodic evaluation.

The open call will be settled in mid-March 2027, and the candidates will be notified of the result by e-mail. The committee reserves the right to interview the candidates. The condition of employment is the candidate's consent to be included in the number of persons listed in the application for a statutory grant and to obtain leave from their home institution (if applicable).

Additional information can be obtained at https://www.impan.pl/ and from the office of scientific administration at konkurs@impan.pl.

We encourage all qualified candidates to apply, regardless of gender, age, ethnic, national or social background, religion or beliefs, sexual orientation, disability, political or social views, or financial circumstances.
