

# The Institute of Mathematics Polish Academy of Sciences

Śniadeckich 8 street  
00-656 Warsaw  
tel. +48 22 5228100

The nearest metro station is  
*Metro Politechnika*

The nearest bus and tram stops are  
*Plac Konstytucji and Metro Politechnika*

IMPAN's lobby is open 24/7

# How to get here

- Transfer from Warsaw Chopin Airport (WAW): distance about 12 km

BUS 188 (direction Gocławek Wschodni), 30 minutes to the stop *Metro Politechnika* on Trasa Łazienkowska, about 500m from the Institute;

TAXI- take a taxi at the stand in front of the exit with a telephone number on top, ignore the „taxi drivers” harassing travellers in the airport hall.

- Transfer from Warsaw Modlin Airport (WMI): Warsaw Modlin Airport is located 35 km north-west from Warsaw

Transfer to the city center takes approximately 1 hour. One option is to take a bus (e.g. FlixBus [flixbus.pl](http://flixbus.pl)) to one of the metro stations in Warsaw and then go by metro. Another option is to take a shuttle to Modlin train station and then take a train to Warsaw Central station. Tickets may be purchased online, at the airport, or at a ticket machine.

# How to get here

- From Central Railway Station: distance about 1.5 km, BUS 131, 501, 525 – 10 minutes to *Plac Konstytucji*, about 50m from the Institute;
- City maps are available at the reception desk (ground floor) and in Banach Center (room 101)

# Transport

TAXI: take a taxi at the taxi stand or call:

- MPT Taxi 19191,
- Super Taxi 19622,
- Ele Taxi +48 22 811 11 11,
- Sawa Taxi +48 22 644 44 44,
- Grosik Taxi +48 22 646 46 46.

One can also use Taxi applications such as Bolt, FreeNow, and Uber.

# Transport

The public transport ticket tariff (bus-tram-underground):

Time	Price
20 minutes*	3,40 PLN
75 minutes*	4,40 PLN
24 hours*	15,00 PLN
Luggage	free

\*with unlimited number of changes of means of transport and in the 1st-ticket-zone, notice: the Chopin Airport is located in the 1st-ticket-zone

# Transport

Tickets for the public transport can be purchased at a ticket machine either outside or inside a tram or a bus, at some kiosks and small shops, or using a mobile application (for the latter see <https://warszawa19115.pl/-/ztm-ticket-purchase-in-mobile-applications> for details). Notice that drivers do not sell tickets. Tickets purchased in advance should be validated once entering a bus, a tram, or a metro station.

# At the IMPAN

Scientific activities.

Most of scientific activities in the Institute of Mathematics, on Śniadeckich 8 street, are taking place in the following rooms:

- 321 (conference room on the 3rd floor)
- 6, 106, 403 (seminar rooms on the ground, 1st, and 4th floor)
- 408 (open room with a blackboard, 4th floor)
- 409 (common room where coffee breaks take place, 4th floor)

# At the IMPAN

## Access to IM PAN wireless network

- Tickets with user ID and password are available at the reception desk (ground floor) and in Banach Center (room 101). **First step:** connect with „impan” network, security key is 1234567890, „impan.wifi” password „IM\_PAN\_2023”; „impan-new” password 0987654321;  
**Second step:** open your browser and enter login and password from the ticket.
- Eduroam is also available.

## Coffee break

- Everyday at 1:45 p.m. at IM PAN there is a coffee break in room 409 (4<sup>th</sup> floor).

## Copy room

- Copy room is located at the end of a corridor on the 1st floor.

# At the IMPAN

- Administrative Staff:  
Banach Center office, room 101  
Secretarial office, room 111  
Finance and Accounting, rooms 107-110
- The Institute invoice data:  
Instytut Matematyczny PAN  
ul. Śniadeckich 8  
00-656 Warszawa  
NIP: 525-000-88-67

# Printing over wifi network at IM PAN

- To print over wifi you need to install printer from 3rd or 4th floor. To do this on any operating system please go to Control Panel of Your system, choose printers and click add. At next step choose that printer is network printer and put one of this IP address:  
10.0.1.149 – printer on 3rd floor, HP LaserJet M401dn  
10.0.0.72 – printer on 4th floor, XEROX B1025
- Operating system should pick up drivers automatically. If not than:
  - on Windows/OS X please open website <http://h20564.www2.hp.com/hpsc/swd/public/readIndex?sp4ts.oid=5096261> to download drivers for HP LaserJet 400 for Windows and OS X or website <http://h20564.www2.hp.com/hpsc/swd/public/readIndex?sp4ts.oid=3815798> for HP LaserJet P3015,
  - for Linux please install hplip and hplip-gui package (available on almost every Linux repository) and then run hp-setup to install printer with graphical user interface.

# Activities

Swimming pool and sauna - **OSiR Polna** on Polna 7a st.  
<http://www.osir-polna.pl/> (only in Polish).

**Pole Mokotowskie and Łazienki Królewskie** are among the largest parks in Warsaw which offer many possibilities to spend time outside.

**Veturilo station** – Warsaw public bicycles rental. English website: <https://en.veturilo.waw.pl/>

# Other helpful information

- In Poland shops are closed on Sundays (except several Sundays per year, called shopping Sundays)
