

Postdoctoral Research Associates

Institute of Mathematics of the Polish Academy of Sciences
Banach Center

The Institute of Mathematics of the Polish Academy of Sciences (IMPAN) invites applications for Postdoctoral Research Associate positions with a start date 28 August 2017. The positions are connected with the Simons Semester entitled ‘Symmetry and Geometric Structures’ to be held at IMPAN in Warsaw, 28 August 2017 – 30 November 2017, and are for 3 months. Some of them may be extended to regular postdoc positions, valid for one year, through the resources of IMPAN upon satisfactory performance during the Simons Semester. Applicants should have a PhD (or be close to PhD completion) in mathematics or in related areas.

The Simons Semester ‘Symmetry and Geometric Structures’ will include the following topics:

- Symmetry and geometric rigidity
- Parabolic geometry
- Invariant differential operators
- Non-Riemannian holonomy
- Projective differential geometry
- The Cartan and Tanaka methods

Additional information can be found at
www.impan.pl/en/activities/banach-center/conferences/17-simonssymmetry

To apply, please submit the following materials:

1. A covering letter that briefly explains the candidate’s interest in, and fit with, the position,
2. A curriculum vitae,
3. Two letters of recommendation.

The deadline is 15 April 2017 and application materials, including letters of reference, should be sent by e-mail to simons17@impan.pl.
