Due to the new restrictions announced by the Prime Minister on October 8, 2020 in the fight against the pandemics, new rules at IM PAN are entering into force as of October 12, 2020:

1. It is obligatory to cover mouth and nose in the common areas of the building.
2. It is recommended to wear masks in the offices where there are more than 2 people working and it is impossible to keep the social distance of 2 m.
3. Each Head of a department shall receive a number of masks to use by their employees; there will be masks available at the reception desk as well.
4. Please keep to a minimum the mobility in the common areas of the building.
5. We suggest, if possible, to contact IM PAN employees by means of e-mail.
6. The postman and the couriers can only enter the IM PAN lobby. The receptionist is obliged to inform, by telephone, the Secretary who is entitled to pick up parcels.
7. Please limit, to the largest extent possible, the number of guests. Each person from outside is obliged to sign in the book at the reception desk.
8. There can be maximum 5 people at the same time in the club hall (room 409). As of October 12, 2020, the club hall is available only between 12 p.m. and 2 p.m.
