

Institute of Mathematics of the Polish Academy of Sciences

announces an open call
for full professor position

The Institute offers full professor position starting October 1, 2016, for mathematicians with outstanding achievements in the field of asymptotic representation theory.

It is expected that the person employed will create at IM PAN his or her own research team (seminars, supervision over young mathematicians), or will substantially reinforce the existing ones. The Institute expects that he or she will participate in national and international research programmes and grants.

The achievements of the person employed within this competition shall be subject to periodic review.

The application together with the description of research and organisational programme, CV, list of publications and consent for the processing of personal data for the purposes of recruitment process, should be sent not later than on May 13, 2016 to the address:

“KONKURS ATR”

**Institute of Mathematics of the Polish Academy of Sciences
ul. Śniadeckich 8
00-656, Warszawa
POLAND**

The documents should also be sent electronically to the e-mail address:
anpo@impan.pl.

For additional information, please contact Mrs. Anna Poczmańska at anpo@impan.pl.

The final decision will be made in June 2016. The candidates will be informed about the results by mail soon after that.

DYREKTOR
Instytutu Matematycznego PAN
Prof. dr hab. Feliks Przytycki
