

# Institute of Mathematics of the Polish Academy of Sciences

announces an open call  
for assistant professor/professor IM PAN/full professor position  
in Gdańsk Branch

The Institute offers position starting October 1, 2020, for mathematicians with outstanding achievements in the field of "Mathematics".

It is expected that the person employed will create at IM PAN his or her own research team (seminars, supervision over young mathematicians), or will substantially reinforce the existing ones. The Institute expects that he or she will participate in national and international research programmes and grants.

The achievements of the person employed within this competition shall be subject to periodic review.

The signed application together with the description of research and organisational programme, CV, list of publications and consent for the processing of personal data for the purposes of recruitment process, should be submitted via email by January 23, 2020 to the address [anpo@impan.pl](mailto:anpo@impan.pl).

For additional information, please contact Mrs. Anna Poczmańska at [anpo@impan.pl](mailto:anpo@impan.pl).

The final decision will be made in the middle of March. The candidates will be informed about the results by mail soon after that.
