POLISH ACADEMY OF SCIENCES

Open call

for professor IM PAN/professor positions in Gdańsk Branch at the Institute of Mathematics of the Polish Academy of Sciences

Applications must be submitted by May 21, 2023, only by using the "Application Form" <https://konkurs.impan.pl/konkurs-stanowisko-w-gdansk/>. The application should contain a CV, a research statement, a list of publications and suggested names of people with whom the candidate would like to collaborate.

We encourage to apply all qualified candidates, regardless of sex, racial or ethnic origin, religion or belief, disability, age or sexual orientation.

The offer concerns a position of the IM PAN professor or a full professor for a period of four years on a half-time basis, starting at the beginning of the academic year 2023/2024, for a candidate with substantial research achievements in the field of mathematics.

The successful candidate will be required to conduct intensive research activities in teams at the IM PAN, including teams implementing national and international research programs, as well as didactic and organizational activities (organization of conferences and seminars, supervision of doctoral students, conducting a monographic lecture/seminar).

The competition will be settled in mid-June 2023, and the candidates will be notified of the result by a letter.

Additional information can be obtained at <https://www.impan.pl/> and from Mrs. Anna Poczmańska at anpo@impan.pl.
