TEACHER = ADAMOWICZ CLASS = 273 SECTION = 001 RATIO = 23/29

The image shows a bar chart with three categories:
1. Effectiveness
2. Evaluation
3. Teacher Attitude

The chart indicates the frequency of responses at different levels for each category. The responses are on a scale from 1 to 5, with 5 being the highest.

Legend:
- EFFECTIVENESS
- EVALUATION
- TEACHER ATTITUDE

Note: Ratios indicate the number of pencil responses compared to total responses. Only scans of responses done in pencil could be isolated.
