COMPETITION

for part-time employment in the project

“Quantum graphs and their symmetries” (PI Mateusz Wasilewski)

We are looking for a PhD student or a postdoc willing to work part-time on the *Polish Returns project „Quantum graphs and their symmetries”*, collaborating with other team members.

The remuneration will cover 1 year, starting in 2023. The competition is open to all candidates who have a Master’s or a PhD degree in the fields related to the project.

Applications together with a brief description of research interests, CV including the publication list and the agreement to process the personal data should be sent before the 31st of August 2023 by e-mail directly to the address mwasilewski@impan.pl (with the subject line “KONKURS GRAFY KWANTOWE NAWA”).

Additional information can be obtained by contacting the PI at mwasilewski@impan.pl. The competition will be decided by the 8th of September 2023, and the candidates will be informed about the results by e-mail.
